## Letter of Recommendation

---

To whom it might concern

Dear Sirs,

I am writing this Letter of Recommendation being informed that Mr. Nidal Awartany has left his position at United Pharmaceuticals Ltd, Amman, Jordan. On my initiative I personally and directly asked Mr. Awartany if he needed this Letter of Recommendation.

It is always a pleasure to write Letter of Recommendation to an individual that really deserve good judgment.

Mr. Awartany and I worked together during my time as Managing Director at the above mentioned company. The time period was from May 2002 until I resigned October 2005. Mr. Awartany worked as IT Manager and was the leading IT specialist in the company.

Mr. Awartany was a leader in IT Management, operating the business with great skills and high service level. He is an optimistic, correct, service minded person who is devoted to his tasks.

His work and personality was/is highly appreciated by me and co-workers.

It is with great pleasure I give Mr. Awartany My Best Recommendation.
